

SUNDAY 7TH NOVEMBER 2021

ST COLUMBA'S FAMILIES NEWSLETTER

HI FAMILIES OF ST COLUMBA'S,
COP26

I hope you had a good half term and have found it easy to get back to school routines. I'm sure you may have heard about the enormous conference that is taking place in Glasgow at the moment – COP26. Maybe you have been talking about the environment/climate at school or at home. There is an interesting little film from the BBC with young people asking the question: Is the Church doing enough about climate change/climate justice? Mums and Dads can have a look and see if it something to share with you.

Remembrance Sunday

Remember, Sunday 14th November is also Sunday School Sunday. Service starts at 10.45am with our young people in church for the Act of Remembrance, before leaving for their activities downstairs. They will return before the end of

service to place their crafted poppies at the communion table. Remembrance Sunday is a significant one for many people and having our children involved is an important part of it.

Christmas Card 2021

As you know we asked for Christmas card designs for a St Columba's 2021 Christmas card to send a message of LIGHT, HOME & HOPE to all our church members at the end of a long and sometimes difficult year. Congratulations to **Annie Gairdner** whose design we will use this year. We love it and are sure it will bring a smile to many faces. Thank you.

Weekend activities

Thank you to Fiona for this week's activities. Have fun with them.

If you are in church this Sunday look out for Cassius, Joshua and Mia – the three babies who will be baptised on Sunday. Could be noisy!

Have a lovely weekend
