ST COLUMBA'S FAMILIES NEWSLETTER

HI FAMILIES OF ST COLUMBA'S,

Welcome back after half term. Hope you had a good break.

- In the lead up to Easter this year you will get a different message from the Families Newsletter of recent months. I have asked a friend, retired Church of Scotland minister, Revd David Donald Scott to choose a picture, accompanied by his filmed message/thoughts, during the weeks of Lent. [Lent is the season in the Church that marks forty days, leading up to Holy Week and Easter. It begins next week on Ash Wednesday, (2nd March 2022.)] We will send you a link each week to David's picture and story, which will be found on the website at <https://www.stcolumbas.org.uk/len-and-easter-2022>
We hope you enjoy these resources which are specially for our families!
- And a reminder – next Sunday (6th March) is both a baptismal Sunday - we welcome Arty Holmes & Otis Niccoli – and Sunday School.
So, we very much hope to see many of you that day.
- Finally, look out for requests to help record readings and prayers for Holy Week 2022.
- We plan that the worship recorded for Monday, Tuesday, Wednesday and Saturday in Holy Week will be done by our young people and their parents.
Making sure we get to hear the voices of the young in our church!

Have a great weekend and see you soon,

Angus & the Sunday School Team
