Data Protection

St Columba's Church produces a bi monthly magazine which contains the "parish" register- a list of weddings, baptisms and funerals conducted by the Minister. In the magazine the name, date of baptism and first part of the child's postcode is published.

We also produce a weekly newsletter and quarterly family newsletter. The weekly newsletter gives details of things going on in the church, the families' newsletter gives more family focussed information about things happening in church.

No details are passed to any outside organisation. They are purely for St Columba's use.

Yes, we give permission for our child's name to appear in the church magazine and are happy to receive the weekly and quarterly newsletters.

No, we do not give permission for our child's name to appear in the magazine and we do not want to receive the newsletters. (Please contact the office).
